

Dear Friends and Supporters,

I am really excited to announce we have just launched an Entertainment App fundraiser. This will raise funds to help The Five and Two Community Outreach Corp.

We are hoping you can help support The Five and Two Community Outreach Corp. This App contains over 500,000 deep discount coupons throughout the US and Canada. Please visit <https://5and2.inspire.world/inspire-perks> today to purchase and download the App for \$25 and start using it to save money and, \$10 per app will support The Five and Two Community Outreach Corp.

There is also an online store (<https://5and2.inspire.world/>) where you can buy everyday items (or gifts) and additionally contribute.

Thank you for your support!
