Floral Wedding & Event Agreement

Please carefully review the following terms of our proposal and billing procedures:

1. We require a \$150 deposit to secure the date of your wedding/event and to continue the design process. Due to the time spent on planning and designing your wedding/event, the deposit amount is not refundable for any reason.
2. To insure a high level of quality and product, Hometown Floral reserves the right to make appropriate floral substitutions when necessary. In this case, the integrity of the proposed color scheme will be maintained and flowers of equivalent value will be used. Please inform us if there are flowers you deem as unacceptable alternatives. Due to the nature of organic materials, Hometown Floral cannot be held responsible for variations in color or size of flowers.
3. If you choose to provide your own vases/containers, we will need these items in the shop no less than 7 days prior to your event. All containers should be delivered to the shop in the condition you would like them used. [Clean, polished, free of tags and debris]
4. Your final balance is due no later than 30 days prior to your wedding/event. Any change in the number of floral needs

must be finalized at this time. Any items added or changed after this date will be invoiced at the time of order. There is no refund for the removal of items as the flowers will have already been purchased. If possible, flowers ordered for these items will be added to upgrade other arrangements.

This completed form, along with the \$150 deposit will secure our services for your wedding. By signing below, you agree to the terms of this agreement.
