First opening our doors in 1946, Valley Sea Foods, Inc. has been serving Northeastern Pennsylvania for over 75 years. Founded by William Metzger, we have been family owned and operated from the start. Originally opening as a market only offering prepared and frozen foods, Valley Sea Foods, Inc. has grown to offer a full line of fresh seafood, frozen foods and dry goods. We receive product daily from the major ports and we offer daily delivery service in modern refrigerated trucks to 11 counties of Northeastern Pennsylvania. Always putting the customer first, we fully back all the products we offer. Here at Valley Sea Foods, Inc., we also accept special orders on a wide variety of items and can custom package items like clams. Our company is HACCP certified and is ServSafe compliant. So for the best quality and value for your dollar, look to Valley Sea Foods, Inc to serve all of your seafood needs.
