

# SpotOn Website

Our specialists will build a stunning site for you at a do-it-yourself price to help you get found on Google and grow your business.

**It takes 40 hours on average to design your own website. Let our professionals do it for you.**

- Custom website build
- Quick turnaround time—typically in 48 hours!
- Search Engine Optimization (SEO) to get found by more customers

## Perfect for businesses of all types:

**Food & Beverage:** save \$7,500/month on average compared to third-party delivery without integrated, **commission-free online ordering**

**Salons, Barbers & Spas:** boost sales by 40% or more with integrated online appointment booking

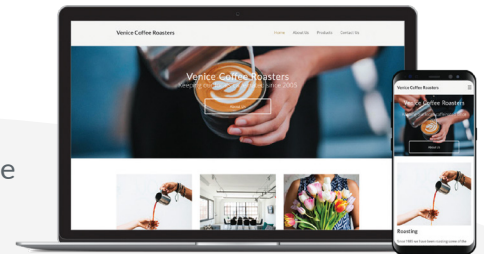

**Retail:** create a new revenue stream and go global with your own **e-commerce** store

And more!

## Everything included!

- ✔ Custom website design
- ✔ Domain name
- ✔ Web hosting
- ✔ Lifetime support
- ✔ Self-service dashboard
- ✔ Optional logo design service

Heather Spencer

**SpotOn built me a logo and website that was amazing!**

I loved working with the designer and how they took my ideas and created a beautiful and easy to use site.
