

SpotOn Restaurant Kitchen Display Screen (KDS)

Boost kitchen productivity with our lightning fast, easy-to-use KDS

The Perfect Ticket Solution for Busy Kitchens

With SpotOn KDS, orders are funneled from all your POS stations directly to the kitchen onto a brilliant display screen that's easy for your entire staff to read and keep those orders coming out fast.

- ✓ Display between 6 and 20 tickets at a time
- ✓ Left and right scrolling capabilities to display an infinite number of orders
- ✓ Intuitive color coding clearly identifies modifiers
- ✓ Bump bar included to easily send and retrieve orders

Durable and Restaurant-Ready

SpotOn KDS delivers all the durability and reliability you'd expect to ensure your hard-working restaurant is always running at peak performance.

- ✓ 21" monitor size provides great visibility without taking up valuable kitchen space
- ✓ Each monitor comes with its own bump bar
- ✓ Each KDS is hardwired to your POS system to ensure it always works
- ✓ SpotOn's Implementation experts will configure the KDS to your needs
- ✓ Due to liability restrictions, the restaurant is responsible for mounting screens on the wall, if desired
