Our History

In 1978, Domenico and Teresa brought their love of Italian cooking from Naples, Italy, and opened Sal's with a simple dream: to share authentic Italian food, family traditions, and a warm welcome with everyone who walked through our doors.

For nearly five decades, Sal's has been built on generations of memories, homemade recipes, and a passion for bringing people together around the table. We continue to honor the traditions that started it all while creating new memories with every guest we serve.

Whether you have been with us for years or are joining us for the first time, thank you for being part of the Sal's family.

We appreciate you!
