OUR STORY

Back in 1933, Fred Liston opened a small gas station and bar with four stools, a candy counter, and a place for locals to gather. Through the years, Liston's weathered changes, ownerships, and renovations, all while holding onto its small-town charm.

Rebuilt in 2021, Liston's remains the highest elevation bar in Massachusetts. A comfortable stop where good stories and great company never go out of style.

THE 143 CLUB

Our outdoor bar and backyard stage are open seasonally with weekly live music & events.
