A Note from the Owners

Rosie’s Trackside Diner has been a beloved local spot for years, and since May 2025, it’s been our honor to continue that tradition. We’re Karen and Anthony Finochio, proud new owners of Rosie’s. Our mission is simple: serve hearty meals at fair prices, treat every guest like family, and keep the train-side charm alive in Liverpool. Thank you for dining with us, supporting local, and being part of our journey. We look forward to welcoming you back again and again!
